

**Thank you for racing with us tonight.**

**Below is some basic information regarding our series and tonight's event.**

- We do NOT require you to purchase a membership or insurance to race with us. There is a \$35 entry fee that will be deducted from non-member checks at payout. Members will have a \$15 entry fee and will receive \$20 in cash at payout to offset the non-member entry fee.
- Please complete the necessary forms (Driver Entrant Form\Entrant Agreement\W-9) and return them before you come to pill draw.
- We have a tire rule: Hoosiers on all four corners. The Right Rear must be Hoosier 105"x16"x15" - MEDIUM compound, Left Rear can be any compound.
- The minimum weight is 1,475 pounds with the driver and ALL cars MUST report to the scales when they exit the track after qualifying. We qualify one, two, or three cars at a time for 2 laps.
- Payout will be approximately 15 minutes after the A-Main at the GLSS Command Center. Please pick up your check and return your transponder within 30 minutes of the A-Main.
- We have mandatory stickers. The location and requirements for each are on display at the Great Lakes Sprints Command Center.**
- We use the Westhold (yellow) G3 transponders. There is \$10 rental fee. If you have your own, please bring the serial number to the pill draw. You must have a pouch – pouches are available for sale for \$20.
- Transponders will be mounted on the right front guset, mount the pouch in the vertical position, drop the transponder in the pouch so that the rounded top is at the top of the pouch.
- There is a driver/crew meeting at the Great Lakes Sprints Command Center. The time of the meeting is posted at the command center on the line-up board.
- The race track is responsible for the preparation of the racing surface. They will work the track as they see fit. They may ask for the Series opinion, but the track officials (not the GLSS) make the final decision of how and when to prep the track.
- Like you, The GLSS Staff has a day job outside of racing. We try our best to see and make the right calls as they happen. Once the call has been made that call will be final (No videos or replays). If we learn later that a bad call was made, we will make every effort to keep that from happening again.

If you have any questions on tonight's procedures, please feel free to ask any of the GLSS Officials listed below.

## Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

**Note:** If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

## Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification instructions.** You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
